

EURspace Pedagogical Kit – Assessment Questionnaire

Instructions:

After the training and after exploring in depth both the *ECVET Methodological Guide for Professionals* and the Battery of 21 Pedagogical Tools, please give us your feedback on the quality of the EURspace Pedagogical Kit.

Your opinion is very important for the improvement of the work done.

The ***EURspace Pedagogical Kit*** is an *open educational resource* for VET professionals and people working with European mobility projects, composed of a Methodological Guide for Professionals (descriptive guide of the *matching methodology* developed) and a Battery of 21 Pedagogical Tools.

The purpose of the ***EURspace Pedagogical Kit*** is to provide guidance and understanding for the implementation of ECVET (European Credit System for Vocational Education and Training), through a methodology and a set of tools, developed specifically for ECVET implementation, and designed for VET organizations and professionals who work with European mobility projects for VET learners.

Thank you for your cooperation!
