Description of the Project:	<p>Your ECVET was a Transfer of Innovation (TOI) project, granted under the Life Long Learning programme Leonardo de Vinci. The project was carried out by 14 partners from 6 EU-countries. The starting-point were the results of FIN-ECVET projects. The duration of the project was from October 2011 until September 2013. The partners in this Your ECVET project had already built a solid international network for the work placements abroad of their students. In the following years many improvements were made and a high level concerning the management of international placements was reached. In the Your ECVET project the partners focused on the validation of the learning outcomes acquired during international mobility in various fields of VET.</p>
